The Workforce Development Fund 2019-20

You could claim money towards developing your employees if eligible

The WDF is funding from the Department of Health and Social Care which is disbursed by Skills for Care. It's a limited pot of money which funds qualifications and learning programmes to support the continuing professional development of staff across adult social care in England.

Employers can claim back a contribution towards the costs of employees completing health and social care qualifications and learning programmes. Employers who directly incur costs for learning and development can access the WDF to reclaim a contribution towards these costs.

All learning is claimed on completion of a qualification or learning programme and evidenced by a copy of the learner's certificate.

Let CCTL help process your claim and you can receive £120
